

SAGOLA

LUBRICANT GREASE

Natural grease, specially made for spray guns and painting equipments moving parts lubrication

Using it, any chance of paint contamination caused by the maintenance performed on guns or painting equipments is avoided.

Same grease used by SAGOLA in their factory over the last half century. Effectiveness backed up by 55 years of manufacturing and assembling of spray guns and painting equipments.

It helps to prevent a premature wear of moving parts, offering at the same time a smooth and precise performance during the gun life.

Presenting a high consistency, far from lubricant oils, it stays much longer, keeping the parts protected and lubricated for longer time, and avoiding oil runs on complicated areas.
